

DEPUTATION SEPTEMBER 2015

Timothy and Ray had a good time meeting the various folk from up and down the UK. There are some photos on the centre pages. A big thank you to everyone who welcomed us into their homes and gave such generous hospitality.

Timothy loves these visits because he gets to meet the people who support the work in India. The trips are very important to him and this year, he especially enjoyed his visit to this part of the world because he was able to spend a bit more time relaxing in the Isle of Man before setting off on the IOM ferry the Ben-my-Chree to Heysham. There were once again twelve venues, although two of them were new, and Timothy enjoyed meeting the different folk.

He always returns to India encouraged and uplifted by the enthusiasm and support he receives from our supporters.

He also enjoys the contrast to India he finds in the UK. Everywhere is neat and tidy, and the driving is 'orderly'. The houses are also very different. We have carpets to keep our houses cosy and warm but there are no carpets in Indian homes, where the idea is to keep cool!

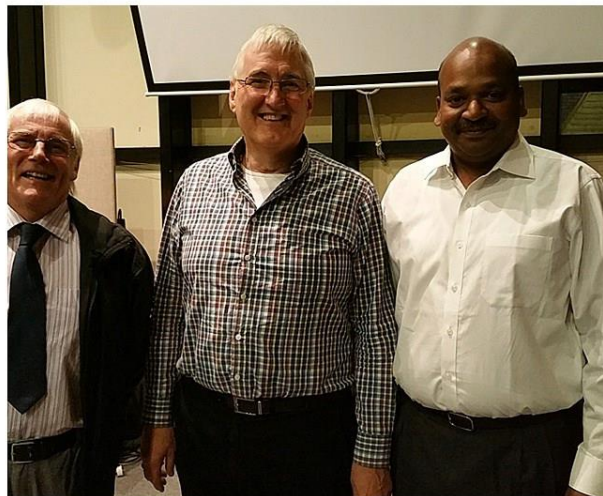

The thing he loves most about our part of the world is, believe it or not, our cool climate and the rain! Not something we in the UK would place at the top of a list of favourite experiences. Even so, it does rain in India!
